

**Minutes of HR Quarterly Meeting
held on Monday 3rd July at Sue's**

Present

J Anglim
M Anglim
J Barber
T Roberts
A Mudle
D Bundy
R Wells
T Anetts
M Farmer
A Ryder
C Harris
S Renyard
S Ibbotson

Apologies

S Stone
K Wainwright
R Noke

Absent

1. Membership

Kim Wainwright was not present but sent in the following information

I will update with more detailed figures (Update below) for the minutes, but for now would like to say that generally the online system has once again been successful, though there were one or two issues with accessing Paysubs, which could possibly be down to the devices being used. Any problems have been overcome with the old fashioned snail mail method. We currently have 226 members on the database, and I will update with EA affiliated members asap.

Most of the few queries I've received have been down to chasing up my tardiness with processing the payments, with some messages being passed to me via other committee members. Maybe it would be quicker if a mention was put somewhere/on the website to contact me directly with any membership questions?

Update

Of the 224 names on the database, we have 184 fully paid up members - including 5 out of county members, and 6 social members.

61 members are currently EA registered.

I have had one resignation from the club this renewal - Alan Doney

2. Treasurer's Report

Account summary: £7,038 in bank but, we have had an income of £5,087, from membership fees, and clock rental, over the last 12 months we have spent £4,267, including EA sub's SHM etc.

3. Coaching

Beginner's sessions started on the 29th March with 13 runners, with a total of 11 sessions in all with 9 runners completing the full course and 2 runners joining the standard weekly training sessions. We have had new sessions in the forest, which result in some good 8 mile runs, regularly attended by 20 to 32 runners.

Track sessions will end on the 17th August, these have also been well attended with regularly over 30 runners.

On the 8th August it is planned to have a join session on the track with Netley Abbey Runners, which will hopefully be a fun session, with a competitive element bound to creep in.

4. Club Kit

So far this year we have sold £310 worth of kit, at present Marilyn is selling the kit from home, and is happy to do this, however if anyone can suggest another location, she will be happy to investigate, in the meantime if you need kit please contact Marilyn direct.

5. Hants Road Race League

Teams have been doing well and increasing positions in the league with the exception of the ladies A division 2 dropping one place, Alice is keen to get more ladies to run next year and reverse this change.

Also HRRL are organising the relay events again this year on the 10th September, this will require teams of 3, in 10 year age groups, the relay will comprise of 5K legs for each runner, anyone interested should get in touch with Alice, or Tim so we can organise some teams.

6. Cross Country

Ian Banks attended the last HCCL committee meeting and Mick is still awaiting his report, several venues this year have been withdrawn and HCCL are looking for alternatives, it had been suggested that HR could help out provided we had assistance from other clubs, to date no confirmation on this has been received.

7. CC6 League

4 additional clubs have requested to join the CC6 league, and potentially add another race to the season.

For the last season we had 28 men complete, and 15 ladies, with an average at each race of 10 men and 5 ladies.

HR men are currently 8th in the league we were 7th last year, and ladies are 7th, top HR male was Dan Latham in 37th position, and Charmaine Bradford in 5th position for the ladies.

Final dates for the 2017/18 season will be decided after the RR10 at IBM.

8. RR10 League

So far we have had a good attendance at all events with 30+ runners attending. Though it has been advised that HR need to publish the car sharing option from Applemore to encourage share use, and less congestion at the events parking.

HR own event at Blackfield was well received with no unexpected events this year, though we did receive a noise issue from one resident, this will need to be taken into account next year with a less enthusiastic marshal (quieter) we also received a complement from one horse rider who was actually held up returning to the stables, by the runners, she was complement the marshals in the notification as she was passing.

Marwell RR10 has been cancelled due to access to the site being withdrawn by the owners, this event is now reschedule to be at Wide Lane Eastleigh, however this is our drop out race and we are unaffected.

It was noted that this year the steady runners where sometimes 20 minutes slower than previous years, and the possibility of an escape route for the steady runners is being considered.

Both Dan, and Rob well have asked the club to look at tables for the HR hosted events, and a new bag, or bag and flag events. Jeremy will give Adrian details of his folding tables.

Dan thanked Jeremy for the speed and efficiency that the result have been posted after the event.

9. Exbury 5M

Due to Exbury gardens increasing the fee to host the event, it is unfortunate that it has become unviable to run this event, unless an alternative location can be found, for now it is recommended to remove this from our own website

10. Solent Half

September 24th

We had to date over 75 entries booked, as separate meeting is held to cover the SHM outside of this meeting, however designs for the Vests to be given to all runners was shown on the night, and approval given for the design.

Gang Warily has a new manager this year however the SHM committee have been in touch, HR has paid the fees for the use of the venue.

11. Website

Web hosting fee due soon.

Jeremy stated that if no objections he is happy to take pictures from HR Facebook page to add to HR website.

12. Publicity

As usual any reports and photos please share with Sue, Carol Baily also to liaise with Sue on publicity for the SHM

13. Social

Several events suggested

- Solent Half meal, already provisionally booked for the 14th September
- Skittles evening at the bold forester
- Christmas meal at Dibden Golf club, for the 2nd

Ann Maylot will be sending out emails to all to publicise the events

14. AOB

Tamsin will add Ray's Sunday social run to the race diary on the HR web pages.

Proposed to add EA membership to the general membership category, therefore anyone attending training sessions and free club events to have full membership, this is to be published and discuss at the next AGM, social runners will not be effected.

HR will cover initial costs for Endure 24 if the club wishes to enter teams again in 2018

Many thanks to Sue and Malc for hosting the meeting and for providing refreshments.

Date of Next Meeting

Monday 11th September

Adrian Mudle

Meeting closed 9.10 pm

Minuted by Adrian Mudle for Hardley Runners
